KUIZ range

KUIZ was developed and created to be placed in different areas to create a comfortable environment.

The range consists of four different options, KUIZ LED, KUIZ LED/P, KUIZ and KUIZ/P. The versatility of the range allows its application in different environments, where you can choose between surface, suspended and wall mounted to create a harmonious and comfortable environment. The variety of colours

for this product allows KUIZ to be used in different locations in a perfect integration with the surrounding environment.

Areas of Application: Commercial areas, businesses, public areas, houses, offices, restaurants and hotels, art and culture.
